Dear brothers-in-Islam,

As-salamu-alaikum !

Mr. Moslem Ahmad, a clerk of the Postmaster General's office, Calcutta, has written a book - "Sharaban Tahura" comprising 132 'rubaiyats' in Bengali. It is his desire to get this published; but has not sufficient money for the purpose. The approximate cost in publishing the book is Rs.1000/-. The writer's idea, if circulated after publication, will benefit the Muslims of Bengal. I reproduce below the remarks of Mr. S.Wajed Ali, B.A.(Cantab), Bar-at-Law, the well-known Muslim writer, who has carefully reviewed the book:-

> "I have read these 'rubaiyats' with great interest and pleasure. They disclose talent of high order in the writer. There is also independent thinking of a high order. I would be glad to see the ink published. My best wishes to the writer of these delightful lines"

The youngman has also written a book in English named "Awakened Muslims"; which is under review.

I, therefore, appeal to the lovers of Islamic Wisdom to give the writer proper financial help for the purpose stated above.

Yours faithfully,

H. K. Fazlul Haq
